KARNIOVRE KOALA KUP - TRACKING SHEET

USAGE: Enter all player names of the Karnivore Koala Kup separately in the column "PLAYER NAME". After each round enter the "TABLE" a player played on, their hunted amount of "DISHES" and their amount of "DELICACIES" symbols in the respective columns of the specific round. The "TOTALS" column will then be updated automatically, presenting an overview of a player's stats throughout the Kup. Blue highlighted player names are the determined players for the final game based on "VPS" of a player.followed by the total "WINS", "DISHES" and "DELICACIES". If all of those are the same fro two or more players the individual amount of "DELICACIES" scored in each round will be the tiebreaker. If there is still no change, all players in question qualify for this rank and can be part of the final game. After the final game is over, the final !"RANKING" will be finished.
